

## SASKATCHEWAN AND AREA PHYSICAL THERAPY CLINICS PROVIDING TREATMENT FOR PELVIC FLOOR DYSFUNCTION

(This list is not definitive and is subject to change.)

All licensed physical therapists are able to provide **external** pelvic assessment and treatment. Please check with your physical therapist to see if they are further qualified by the standards of their provincial College of Physical Therapists to perform **internal** pelvic floor services.

Limited public physiotherapy programs are available at no cost to the client. The majority of physiotherapy services require direct payment by clients. Fees for physiotherapy services may be covered by private or supplemental health insurance. Please verify with each facility, as this list is subject to change.

This document has been compiled with the help of the Saskatchewan Pelvic Floor Pathway and the Saskatchewan Ministry of Health. **Find more** pelvic floor information at: [www.sasksurgery.ca/patient/pelvicfloor.html](http://www.sasksurgery.ca/patient/pelvicfloor.html)

	No cost to patient		Requires referral from a physician/nurse practitioner		Also offers pelvic floor therapy for men. (If this icon is not present, pelvic floor therapy is for women only.)
	Fee for service		No referral required Contact clinic for appointment
