

**SASKATCHEWAN PELVIC FLOOR PHYSICAL THERAPISTS
PROVIDING TREATMENT FOR PELVIC FLOOR DYSFUNCTION**

(This list is not definitive and is subject to change.)

All licensed Saskatchewan physical therapists are able to provide **external** pelvic assessment and treatment. Please check with your physical therapist to see if they are further qualified by the standards of the Saskatchewan College of Physical Therapists to perform **internal** pelvic floor services.

Limited public physiotherapy programs are available at no cost to the client. The majority of physiotherapy services require direct payment by clients. Fees for physiotherapy services may be covered by private or supplemental health insurance. When contacting a clinic, please verify pelvic floor services are available, as this list is subject to change.
